CAREER OBJECTIVE

Motivated Computer Science undergraduate seeking a Developer role to design, develop, and optimize scalable software solutions. Skilled in Core Java, OOP, and RESTful APIs with hands-on experience in Spring Boot applications. Strong understanding of SDLC, debugging, and problem-solving, with a focus on building efficient and reliable applications.

EDUCATION

B.Tech CSE (2026) : Bansal Institute of Science and Technology, Bhopal | CGPA : 7.66

Diploma (2023) : SV Polytechnic College, Bhopal | CGPA : 7.85

12th (2020) : Douglas Higher Secondary School, Bhopal | 84.6%

TECHNICAL SKILLS

Programming : Core Java (J2SE), Python, OOP

Frameworks : Spring Boot, Hibernate, JDBC

Web : HTML, CSS, REST APIs

Database : MySQL

Tools : Git, GitHub, Postman, IntelliJ, VS Code

Concepts : Data Structures, SDLC, Debugging, RDBMS, Computer Networks

PROJECTS

Email Writer Assistant : (Java, Spring Boot, React, Chrome Extension, Google Gemini API):

- Designed and developed an AI-powered email assistant using Java, Spring Boot, and React, improving response generation.
- Built RESTful APIs to process user inputs and generate context-aware replies using Google Gemini API.
- Implemented error handling and debugging mechanisms to ensure reliable API performance.
- Developed a Chrome Extension to integrate AI-generated responses directly into Gmail UI.
- Followed SDLC practices including requirement analysis, development, testing, and deployment.

Car Rental Management System : (Java, Spring Boot, Thymeleaf, MySQL) :

- Developed a full-stack car rental system using Spring Boot and MySQL with MVC architecture.
- Implemented role-based access (Admin/User) and optimized database queries for better performance.
- Designed and tested REST endpoints and UI workflows to ensure smooth user experience.
- Identified and fixed system bugs through testing and debugging.

INTERNSHIPS

- Infosys Springboard (Java Internship)** :
Gained hands-on experience in Java programming, OOP concepts, and application development.
- Celebal Technologies (SQL Internship)** :
Worked on SQL queries, joins, and database operations for data management.

CERTIFICATIONS

- Basic Java Certification** : HackerRank
- Problem Solving Certification** : HackerRank
- Basic MySQL Certification** : HackerRank

ACHIEVEMENTS

- Solved 150+ DSA problems on LeetCode, focusing on arrays, strings, and problem-solving patterns.
- Secured All India Rank 226 in a national-level coding contest (Naukri Code360).
